REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior of record does not disclose or render obvious a cooking apparatus including a tray mounted on a pair of support tails in a cooking cavity and having a heater in the form of conductive film on the lower surface of the tray, to heat the tray and cook food, the conductive film having electricity flow paths that are as short as possible and electricity being supplied to the heater through terminals connected to a socket on the rear wall of the cooking cavity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Shlichta et al is cited to show a heating film having short electricity flow paths.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Teresa J. Walberg whose telephone number is 703-308-1327. The examiner can normally be reached on M-F 9:00 - 5:30.
